Honor Students

DORIS HUNTOON

LOIS JOHNSON

NANCY NIEBAUER

Leading the class of 1967 were three girls who exhibited both superior scholastic ability and outstanding leadership qualities. They each found the time to retain above 3.5 grade averages and to be active in an unlimited variety of activities.

At the top of her class, was Miss Doris Huntoon. With a 3.9 grade average, Doris led her class as Valedictorian. During her high school career, she served as Class Treasurer her sophomore year and Secretary of the Student Council as a Senior. In her Junior year, she was selected as Marlette's Exchange Student. The Senior Class elected her as Ideal Senior.

Next in line was Lois Johnson who graduated with a 3.7 average. Lois displayed her leadership qualities by serving as the Senior Class Treasurer, and being a member of the Student Council. Lois earned the honor of being Salutatorian. She received a citation from the National Merit Scholarship Authority, and an Oakland University Scholarship. She plans to major in Elementary Education.

Another 1967 Honor Student, was Miss Nancy Niebauer, with a 3.6 grade average. Nancy has been President of the F.T.A., a Junior Leader in the Horizon Club, a representative to the Student Council in Palo Verde High School, Tucson, and a member of Marlette's Student Council. She was also chosen as the representative to Girls' State by the American Legion. Her awards include a Competitive Scholarship from the Michigan Higher Education Assistance Authority, and a Western Michigan University scholarship. At W.M.U., Nancy will major in Library Science.

Senior Play

The Class of '67 cooperated in a joint effort in presenting three one-act plays to the public. Mr. Dickinson offered his services as Director. Unfortunately, we were unable to get pictures of the Plays.

"THE SHADOW OF A DREAM"

A mystery led the program. The story unfolds, telling of an egotistical state attorney who drives himself to succeed, no matter how base the means or how innocent the people he strikes down. His wife, desperate for his attention, and his chauffeur, concerned for his brother's case, devise a scheme

designed to bring him to his senses. Finding himself in the despondent predicament in which he has placed so many men, Owens immediately decides to alter his philosophy.

"THE MINUET"

Turning to an even more serious vein, the Seniors proffered the public a drama entitled The Minuet. The play portrays a French Marquis and his Marchioness who, embittered by life and its struggles, had been separated most of their married lives. During the French Revolution, the couple were thrust in a Dunkirk prison. Reunited in the prison cell, they turn to each other for love and assurance. Pacified at last, they face the gallows and end their lives the way they began them - together.

"RINGING IN THE GROOM"

Closing on the light side of things, a comedy was presented. It concerned a young man who wanted to marry his girl but permitted others to stand in his way. After a shocking number of events including the maid's sudden avalanche of money, the brother's decision to leave school, the prudish aunt's acceptance into Hollywood, and a scheme designed by the dowager, the grandmother persuades him that each man's life is his own.

ORGANIZATIONS

Student Council

Members of the Student Council attend a meeting.

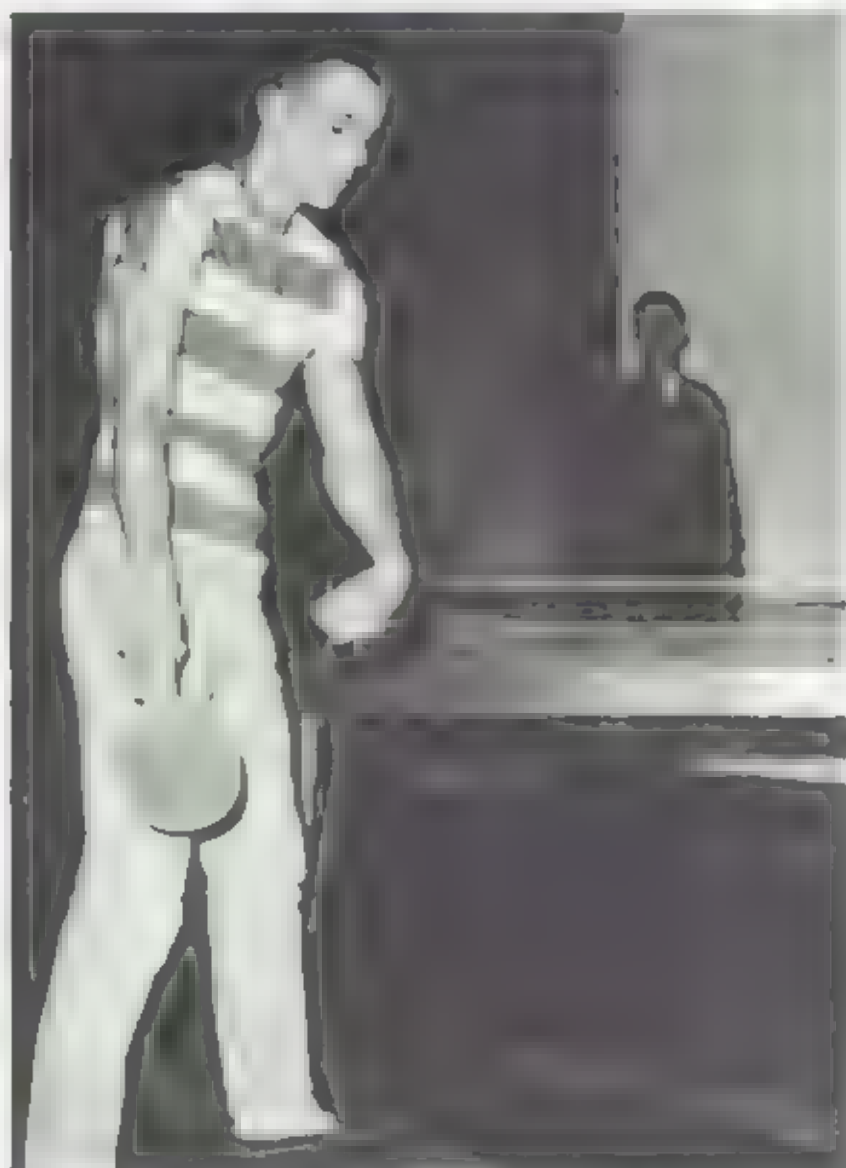

Our Student Council sponsored by Mr. Groat plays an effective role in the function of MHS. Its purpose is to form a gov't. run by student representatives to govern the student body and raise funds towards facilities to benefit pupils. This year, the Council sponsored many worthy activities which include ordering league penants, magazine sales drive, Marlette Talent Show, backing up the Foreign-Exchange program, and sponsoring an orphan child. The Student Council also drew up a set of grievances against student-behavior at assemblies and then took action by appointing monitors. The 66-67 Student Council left its mark in the form of a movie camera which it bought.

Doug Drew, our Student Council President, leads the student body in "The Pledge of Allegiance."

Compliments of
MARLETTE A & W

Thumb B Student Council

Ed serves the ping-pong ball to Don.

The purpose of the "Thumb B Student Council" is to learn how other Student Councils function and to have better relationships between the schools. The council consists of the eight schools in league. Some of the activities during the year were Student-Exchange Day, and a dance held at Bad Axe with the Jay Hawks providing the entertainment. For the second year in a row, Marlette won the sportsmanship trophy. The finale of the year was the "Thumb B Student Council Picnic" held at Frankenmuth. Elections for the 1967-68 officers were held. Brent McCumons was elected point keeper for the sportsmanship trophy.

"Shall we add another bottle?"

Mr. Groat, our sponsor, seems to be having a little trouble eating his ice-cream cone.

Foreign-Exchange

Our 1967-68 Foreign-Exchange Student is Ken McCoy.

Each year, a Foreign-Exchange Student is selected from our community for the purpose of promoting a better understanding between countries. This selection is made by a panel consisting of civic leaders, business men, clergy, teachers, Board of Education, and members of the Student Council. The decision is based on a point system for different categories such as poise and leadership.

Ken will be traveling to Holtermannstr, Germany. For eight weeks, he will learn about the customs and people of Germany.

Upon his return trip, Ken will appear before many groups and show his slides.

"Germany here I come!" Dave Pollak was alternate.

Forensics

ROW 1: Karen Jensen, Dave Pollak, Jared Moss, Ron Crothers, Dan Niebauer, Sandy Gillam. ROW 2: Al Kitchen, Pence Rogers, Ken McCoy, Bev Pringle, Dave Drezewiecki, and Mr. Dickinson.

Mr. Dickinson found himself initiating a completely new forensics squad this year. Despite the lack of experience, Marlette's squad did a fine job at the forensics meets. At the District Forensics Meet in Croswell, Marlette received one First Place and three Third Places. Our First Place winner was Ken McCoy who did an Interpretive reading. Also placing were Bill Nelson with his Oratory speech, Beverly Pringle for her Interpretive reading, and Karen Jensen in the Humorous Reading category. For the fine work done with his Interpretive reading, Ken McCoy received an inscribed dictionary from the Detroit News. Then Ken had the opportunity to go on to higher competition at the Regional Forensics Meet held in Flint where he placed fourth.

Math and Science Club

Duane hands the gavel over to Bill for next year.

The Mariette Math and Science Club is an industrious group designed to introduce students to various mathematic and scientific fields, and to enable students to get together and advance their skills. Mr. Thrall, the Math and Science Club sponsor, and the members of the Club, visited the Robert T. Longway Planetarium on the Flint J.C. campus early in the year. When December rolled around, the group found themselves filled with a Christmas spirit, and thus they put on a Christmas Banquet."

During the course of the year, a few speakers were invited to Mariette to give lectures on various scientific topics. The finale of the 1966-67 events, was the Science and Industrial Fair which the Club and the Industrial Art Department cooperated together in sponsoring.

David Mutch is one of the First Place winners at the Science Fair.

Future Farmers of America

Marlette's Chapter of the F.F.A. has always been a very diligent group, and this year's organization has been no exception. Taking part in the landscaping of our new building, the Future Farmers laid sod and planted brush and grass. Next on the year's agenda was the breaking in of officers, Mike Denton, Tom Albertson, Larry Geister, Richard Wilson, Bryce Hager, and Dale Fischer at the Leadership Training Camp in Lexington. The Demonstration Team consisting of Tom Albertson, Richard Wilson, and John Keys, did a fine job this year. At the annual F.F.A. Banquet, they received gold awards for the work they did at the District and Regional level. Next the group tackled the spring contests on the MSU campus, and successfully brought home two gold awards and three silver awards. In May, the F.F.A. conducted a Freshmen Tractor Driving Contest and a Plowing Contest. They were won by Randy Wendorf and Jim Stamp respectively.

Future Homemakers of America

Cathy shows the charm she was given for winning the Betty Crocker Award.

The F.H.A. strives to further our girls' ability and understanding of home relations, to instill in them more interest in the home, and to prepare them for the very integral occupation of homemaking. On October 15, the Marlette Chapter of the F.H.A. participated in the Regional Conference held at Sandusky this year. For their own entertainment, the F.H.A. and the F.F.A. cooperated together in having a Christmas Pizza Party. Both groups immensely enjoyed themselves. Seventy-eight girls and their parents attended this year's F.H.A. Banquet. For the State Convention held in April, Judy Lindsey, Pam Zenner, and Mary Macklin were selected to accompany Mrs. Seley and represent Marlette. Wrapping up the year's activities, Cathy Innes received the Betty Crocker Award.

Introducing students to the teaching field on a comparative basis, and encouraging students to consider education as a career, are the aims of our Future Teachers of America Club. This year, the Future Teachers toured Edsel Ford Experimental High School, in Dearborn. They were quite impressed with the educational system at the school. Mrs. Rudd, their sponsor, and the group then went to Warren where they saw "The Taming of the Shrew," an enjoyable film. To add color to our library, the F.T.A. ordered monthly art pieces from the State of Michigan Library in Lansing. Ending up the year, the members are looking into a "buddy system" for Marlette's students with scholastic difficulties.

The Future Nurses of America is a busy group which endeavors to give potential nurses a little basic training and experience in the medical field. Mrs. Phyllis Bain served as the F.N.A.'s Advisor this year. Included in the club's activities this year was a trip to the Flint Hurley Hospital. The members also toured the Hurley School of Nursing. In order for the individual members of the organization to receive the F.N.A. pins, they each worked at the Mirlette Community Hospital for ten hours. They worked in shifts on the average of three days with each student working approximately once a month. Their duties involved such errands as feeding patients and filling water glasses.

Pat makes a bed.

"M" Club

Dave Bing was the guest speaker at the Awards Banquet.

Dale Hager received an award for the Most Valuable Player in basketball.

Marlette's sports-promoting organization is the "M-Club." To be eligible to be a member of the "M-Club," a student must have earned at least one letter in a sport or in cheerleading. This year's sponsors, Mr. Barr and Mr. McNally, led the elite group in a number of worthy projects and activities. The Club donated money towards purchasing a movie camera for the school and gave money towards the home exchange Fund. A highlight of the year was the basketball game sponsored by the group. The Shooting Stars, a professional all girl team performed. The Sports Banquet, with Mr. Bing as guest-speaker, was undoubtedly the climactic event of the school year. Mr. Bing is the first Piston to gain the NBA honor of Rookie-of-the-Year.

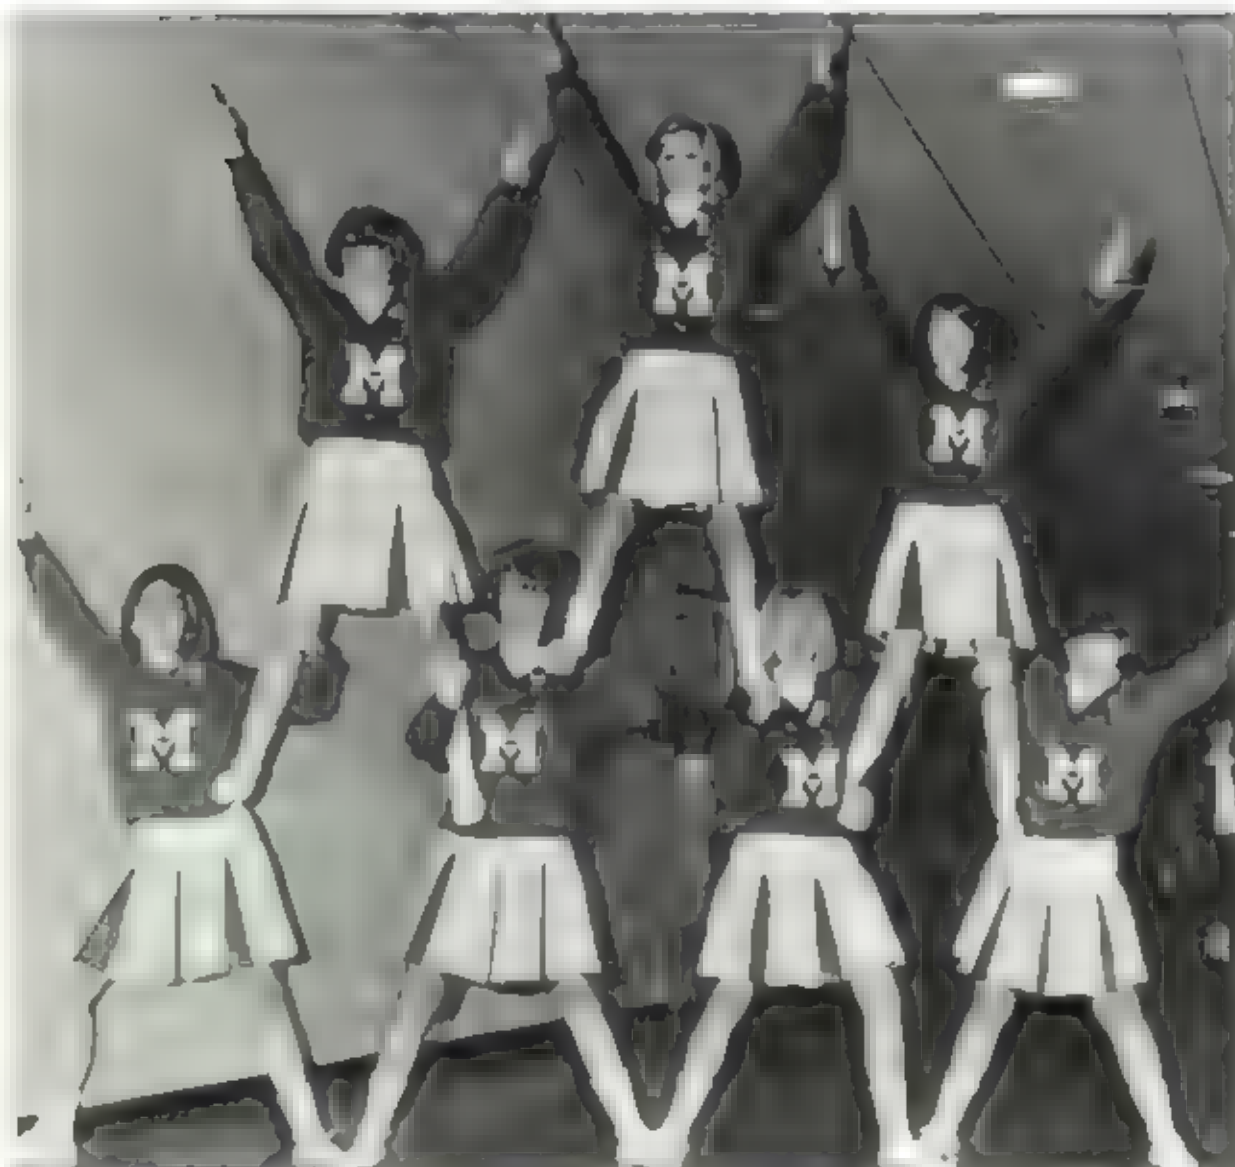

Doug Drew was presented the Most Valuable Player Award in football.

Dan Niebauer receives the ball that broke the 20 game losing streak in baseball.

Commercial Club

Many of our business-orientated girls were active this year in our Commercial Club, sponsored by Mrs. Sharon McLean. The purpose of the organization is to further student interest in the commercial field and encourage pupils to enter the field. This year, the Commercial Club toured the Saginaw Business Institute. The members also enjoyed a trip to Saginaw Steering Gear where they visited the plant and offices. At another time, the group visited the General Motors Acceptance Center in Saginaw. At the present time, Marlette's Commercial Club is applying for membership in the Future Business Leaders of America.

Library Club

Nancy reads the stacks.

The objective of our school's Library Club is to introduce students to library work. Taking advantage of the opportunity, many of our students participated in the group. The main project they undertook this year, was getting facilities and accommodations ready in the new library. Then the students and their sponsor, Mrs. Ross, turned to other activities. In November, the organization hosted the Thumb Regional Conference of Michigan Association of School Libraries. The Club visited the Detroit Public Library, the Detroit Art Museum, and enjoyed seeing the film, "The Bible." As a finale to the year's activities, the group attended the State Student Librarian Assistant Association meeting in Ann Arbor.

Part of a Librarian's duty is to make sure the books are in order. Colleen and Fatti seem to have found some that are out of order.

During the 66-67 school year, our 87 piece Band was active in many musical activities. Starting right in, the band was invited to Band Day at MSH on September 17. Then on September 21, the Band represented Marlette at Chesapeake the Marching Clinic. At Carsonville, our Band attended the County Festival. Settling down to a concert mood, Mr. Milano directed the Band in the Christmas Concert and Winter Concert. In May, the Band marched for Mayor Exchange Day and Memorial Day. Awarded for their efforts, Brent McCummons and Charlene Cousins received summer music camp scholarships, Jackie Marsh was granted the Legion trophy, and Georgia Horton was awarded the Outstanding Bandman trophy.

Marlette students have always depended heavily on our bus drivers. Many have been the cold, winter morning when they left their warm beds to run their routes and deliver the students safe and sound to school. They have also offered their services as chauffeurs so that the students could enjoy outings and class trips on a year-round basis. Without our bus drivers to crutch on, the Marlette school system would have a large operation deficit. Unfortunately, because of a camera breakdown, we were unable to print a picture of them in this book, but they are as follows: Ralph Arnold, Verna Bonesteel, Chester Campbell, William Chappel, Winfred Chappel, Dean Collins, Charles Felch, Christine Foster, Gertrude Keys, Dean Keys, Rev. The football team of 66-67 started off with a win over North Branch and a tie with Vassar. Although, we played some hard fought games, our opponents edged by us. The most surprising event was our first half against Frankenmuth in which we were the first to score a touchdown against them.

Despite the cold and snow, Marlette tore Sandusky Redskins scalps with a 30 to 0 win at our Homecoming.

Mr. Jerry Barr coach of the Junior Varsity football team, watched his squad go into a winning season. This year's performance was the complete reverse of last year's J.V. team. John Keys, top scorer, led the team to a five wins and one loss standing record. At the close of the season, Ron Ellis was voted the Outstanding Player by his team mates. The squad chose him for his enthusiasm and all around performance during the games and in the huddle. Our boys are to be highly congratulated for their outstanding season due to their drive and long hours of practice.

Varsity Basketball

ROW 1: Dan Nachauer, Dale Phillips, Gary Johnson, Duane Marsh, Marty Blackmer, Mike Holterbeck, ROW 2: Coach Barr, Don Betz, Doug Drew, Tim Felton, Dale Hager, Dave Burnson, and Dave Pollak.

Mr. Barr rendered his time and ability as coach of the Varsity Basketball squad this year and piloted the team through a season of five wins and nine losses. Dale Hager, who was elected Most Valuable Player by his team-mates, and Duane Marsh, captain of the team, were this year's most promising players. Dale was also a pre-selector. Due to the fact that the team is losing only three Seniors, the team shows good prospective for a better record next year.

The 66-67 J.V. basketball record does not necessarily indicate the quality of the team. The record shows four wins and eleven losses. Guided by Mr. Larry Elmer, the Junior Varsity team displayed the ability to have a winning effort for all the defeats suffered, the scores were close. Jim Lamm led the squad score wise throughout the whole year. Despite the ease with which one might draw from the season's record, the boys put forth a great amount of time and effort this year.

Despite the lack of interest in track by the student body, the members of the track team did exceptionally well.

Many school records were broken during the season.

Ron Draper - 100 yd. dash - 10.6 sec., 220 yd. dash - 23.05

Dave Brunson - high jump - 5ft. 10 1/4 in., 880 Relay team - 1:36.45

Mike Lunn did not break a record, but he established a 2 mile high school record - 10 minutes and 40 seconds.

Coach Barr led the baseball team in a season of three wins and twelve losses. Although the record may not sound outstandingly impressive, there were moments when it appeared as though the team might perk up. The team did a good job considering they had many strikes against them; the most crippling of these was the lack of field to practice on. The most striking accomplishment of the season was the fact that the team bettered the wins over the previous year by 300%.

Seven schools competed in golf. Bad Axe, Sandusky, Marlette, Vassar, Caro Frankennuth, and Lakers.

In eight league games, Marlette's record was five games won and three lost.

The Conference game was held at Vassar. Marlette placed fourth. The five players in this game were Jack Hutchinson, Jim Hutchinson, Bill Caraffo, Dave Jezerski, and Dan Hutchinson. Marlette was only seven strokes higher than Bad Axe, who won the conference.

Twenty-two teams entered the Regionals at Romeo. Marlette placed eleventh.

The low game was shot by Jack Hutchinson, a senior, who fired a low thirty-eight in the Conference at Vassar.

There are a lot of good prospects on this young team who are looking forward to even a better record next year.

During the regular season, the 8th grade team won 5 games and lost 1.

Mr. McNally was the 8th grade basketball coach this year. During the regular season, the squad won five games and lost one game. The fine record can be attributed to Jerry Smith, the top man in scoring, rebounding, and general all-around player. Many of the players show good J.V. potential.

Coach McNally also backed the seventh grade basketball team. In spite of the season's one-win and three loss record, the boys appear to be a promising team for the future. Glenn Chappel was top score-man.

The two teams interfused themselves to compete at the Thumb B Junior High Tournaments and successfully ended up as runners-up for the Championship. The boys showed desire to win, hustle, and most important, good sportsmanship.

JACK AND JILL AND A.B.C.

... the shrill chatter of little voices
... the smell of crayons . . . a stray
boot lying in the hall . . . the squeak-
ing monosyllables of chalk meeting
board . . . quick eyes darting towards
the windows . . . baseballs being
pitched across a playground . . .
tell-tale giggles in the back of a room

...
